INTERACT PLAYOFF

The session provided a platform for members from different clubs to connect, communicate, and build friendships in a relaxed environment. Through the games, participants shared enjoyable moments, worked together, and got to know fellow Interactors beyond their usual club activities. The event also encouraged teamwork, creativity, and active participation while creating a welcoming atmosphere for everyone involved.

Overall, Interact Playoff helped strengthen the bonds between the three clubs and promoted the spirit of unity and fellowship within the Interact community. The event demonstrated how simple recreational activities can bring members closer, encourage collaboration, and create lasting memories. It reflected the purpose of Harmony Wednesday by celebrating friendship, cooperation, and the values of "Service Above Self."
