Sponsoring Orgarnisation(s) :- Rotary Club of Narayani Mid-Town
Guest :- N/A

Area of Focus: Basic Education and Literacy

About "Colours of Unity; Inter-Section Rangoli Making Competition: Harmony Wednesday"

Introduction:

On the occasion of the third day of World Interact Week 2026, celebrated as Harmony Wednesday, the Interact Club of Narayani Public School organized an Inter-Section Rangoli Making Competition for students of the morning and day shifts. The competition was organized with the aim of bringing students together through art, creativity, and friendly participation while promoting the values of unity, teamwork, and harmony. It provided a common platform for students from different sections to show their abilities, exchange creative ideas, and express themselves through colourful Rangoli designs.

Summary:

The competition was conducted in two separate sessions to participate the students of both shifts. The morning shift session was held from 8:00 a.m. to 11:00 a.m., with approximately 13 teams participating in the competition. Similarly, the day-shift session took place from 2:00 p.m. to 5:00 p.m., with approximately 9 teams taking part. Altogether, around 22 teams participated in the event. Each team presented its own Rangoli design, showcasing creativity, teamwork, and artistic skills. Students worked enthusiastically with different colours, patterns, and designs to prepare attractive Rangolis and present their best efforts in the competition. Every team participated with the excitement of showcasing its creativity and earning recognition for its work.

IMPACT BEYOND TOMORROW

The entire competition was filled with enthusiasm, excitement, and active participation. Students thoroughly enjoyed the activity while working together with their teammates and appreciating the creativity of other participants. The different Rangoli designs reflected the imagination, coordination, and efforts of the participating teams. Beyond the competitive aspect, the event encouraged students from different sections to interact, cooperate, and appreciate one another's talents in a friendly environment. It also demonstrated that harmony is not simply about being alike but about respecting differences and working together despite them. Through this engaging activity, the Interact Club successfully connected the spirit of artistic expression with the central message of Harmony Wednesday. At last, we interact team made a rangoli of International Interact-Wheel to promote and showcase the creativity of Interact Club of Narayani Public School.

Conclusion

The Inter-Section Rangoli Making Competition successfully combined creativity with the message of unity and harmony. It provided students with a joyful platform to showcase their talents while strengthening teamwork and mutual appreciation. The enthusiastic participation from both shifts made the event meaningful and memorable. Through this program, the Interact Club of Narayani Public School celebrated Harmony Wednesday by promoting togetherness, creativity, and friendship among students.

Feedback

1. Non-interact student:- The competition was a fun and creative experience. I enjoyed working with my teammates and appreciated the different Rangoli designs presented by other teams. It was a wonderful opportunity to express our creativity and learn teamwork.
2. General Member: The program was enjoyable and well rganized. I loved seeing students from different sections participate with great enthusiasm. It helped us connect with one another and understand the importance of unity and harmony.
