About "A Little Act of Kindness"

Introduction:

As part of World Interact Week 2026, the Interact Club of Little Angels' School organized "A Little Act of Kindness" under the Helpful Saturday theme. The project involved a visit to Anmol Children Development Home, where our members came together to spread happiness and support the children. Through contributions collected from club members, we donated four bags of clothes along with various food items, including biscuits, noodles, chocolates, and other essentials. The initiative aimed to bring smiles to the children's faces, promote the spirit of sharing, and encourage members to contribute towards the well-being of their community.
