COLOURS OF CULTURE

Project No: 13
Date: 6th November, 2026
Venue: Balodaya Secondary School
About: COLOURS OF CULTURE – Rangoli Competition (Cultural Friday)
Specified Community: Public Image
Area Focused On: Basic Education and Literacy

Introduction

COLOURS OF CULTURE was a rangoli competition organized by the Interact Club of Balodaya Pokhara on 6th November 2026 as part of Interact Week 2026, under the theme Cultural Friday. The activity provided students with an opportunity to express their creativity, artistic skills, and appreciation for cultural traditions through rangoli designs. Students from Grades 6, 7, 8, 9, and 10 participated enthusiastically, making the event a colourful celebration of creativity and cultural expression.

Event Summary

The competition brought together students from Grades 6 to 10, who participated by creating their own rangoli designs. Each group used colours, patterns, and creative ideas to present unique artwork. The different designs reflected the students' imagination, teamwork, and appreciation for traditional art.

As the rangoli designs gradually took shape, the school environment became more colourful and vibrant. Every creation carried its own artistic expression, showing how traditional art can bring people together while allowing individuals to showcase their creativity. The participation of students from different grade levels also encouraged interaction, collaboration, and a sense of healthy competition.

COLOURS OF CULTURE was more than just an artistic competition; it was an opportunity to celebrate cultural identity and give students a platform to express themselves.
