About ‘Paws of kindness’

Introduction:

Paws of Kindness was organized as part of Interact Week under the theme Helpful Saturday, with the aim of promoting kindness, compassion, and responsibility towards animals in our community. The event focused on supporting stray dogs by providing them with food and highlighting the importance of caring for animals that often lack proper access to basic necessities. Through this initiative, Interactors aimed to spread awareness about animal welfare and encourage small acts of kindness towards voiceless members of our community.

Project Summary:

Paws of Kindness was an event organized under Interact Week as part of the theme Helpful Saturday, where Interactors came together to feed street dogs as an act of kindness and community service. The participants visited nearby areas where stray dogs were commonly found and distributed food to them, ensuring that the activity reached animals in need. Through this initiative, Interactors got an opportunity to actively contribute to animal welfare while developing a greater sense of compassion and responsibility towards animals. The activity also highlighted how small efforts and simple acts of kindness can make a meaningful difference in the lives of stray animals.
