Four clubs participated in the event, making it an opportunity to share knowledge about different cultures and traditions.

Program Summary

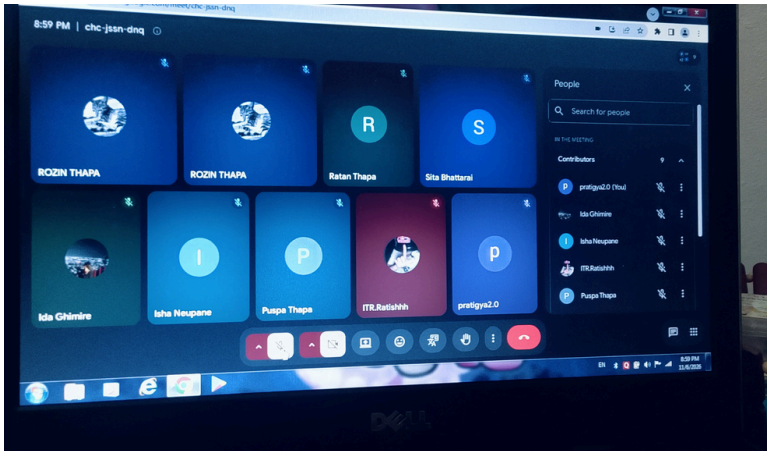

The event featured an exciting culture-based guessing competition conducted through Google Meet at 8:30 AM. Participants were presented with various cultural questions and clues, testing their knowledge and understanding of traditions, festivals, and cultural practices. The competition was made more engaging through active participation from all four clubs, with first, second, and third positions awarded to the winners. The program began with the National Anthem followed by the Rotary Anthem and concluded with a Nepali cultural entertainment video, adding a refreshing touch to the celebration. Cultural Friday successfully brought members together while encouraging cultural appreciation, teamwork, and fellowship among the participating clubs.
