Specified Committee: Club service

Area of focus: increasing humanity

Introduction

On November 8, 2026, Interact Club of Shanti celebrated Grateful Saturday by organizing a small yet meaningful initiative dedicated to helping and caring for street dogs. The event was conducted with the aim of spreading kindness, compassion, and gratitude towards voiceless animals who are often overlooked in our communities. Rather than limiting the activity to a single location, all the participating members of the club took the initiative individually in their respective localities, ensuring that the message of kindness reached different communities

Program Summary

During the event, club members visited their nearby areas and provided biscuits and milk to street dogs as a small gesture of love and care. Although the activity was conducted individually, every member contributed towards the same purpose of making a positive difference in the lives of street animals. Through this initiative, Interact Club of Shanti highlighted that gratitude is not only about appreciating what we have but also about showing kindness to those who need our care.
