About ‘ Trivia Quiz ’

Introduction:

On November 3rd, 2026, on the occasion of Historic Tuesday during World Interact Week, the Interact Club of Annapurna SOS hosted an online "Interact Week Trivia Quiz". Conducted via Google Meet, the interactive competition brought members together to test and expand their knowledge regarding Interact history, Rotary values, and district governance in a fun, competitive environment.

Project Summary:

The virtual session kicked off with members logging into the live quiz call. Participants answered a series of multiple-choice questions covering key Interact milestones (such as World Interact Day history, Rotary foundation facts, and youth initiatives).
We organized this with three main goals in mind:
1. Celebrate Interact History: Highlight key Rotary and Interact milestones on Historic Tuesday to help members connect with our organization's global legacy.
2. Promote Interactive Learning: Engage Interactors through an energetic, fast-paced trivia setting that makes learning fun and memorable.
3. Strengthen Fellowship: Bring members together online in a friendly, lighthearted competition to boost team spirit during Interact Week.

Conclusion:

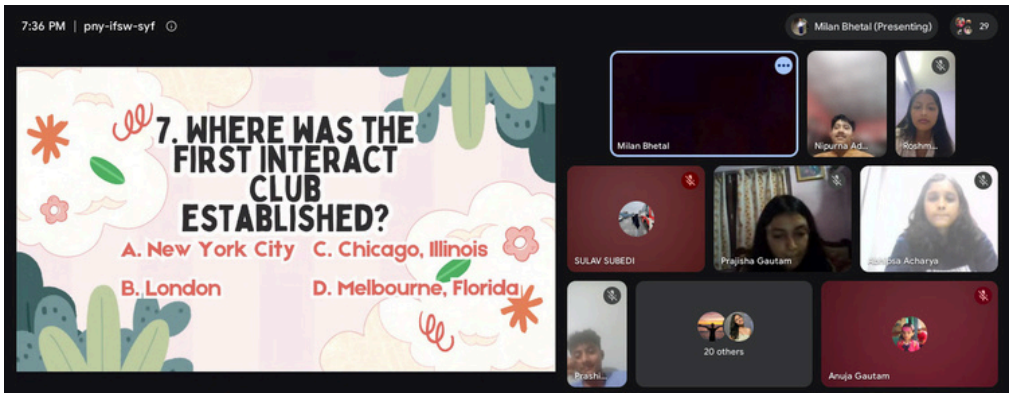

Overall, the "Interact Week Trivia Quiz" turned out to be an exciting and engaging way to celebrate Historic Tuesday. It not only challenged our members' knowledge about Rotary and Interact history but also brought everyone together for a lively evening of learning and fellowship.

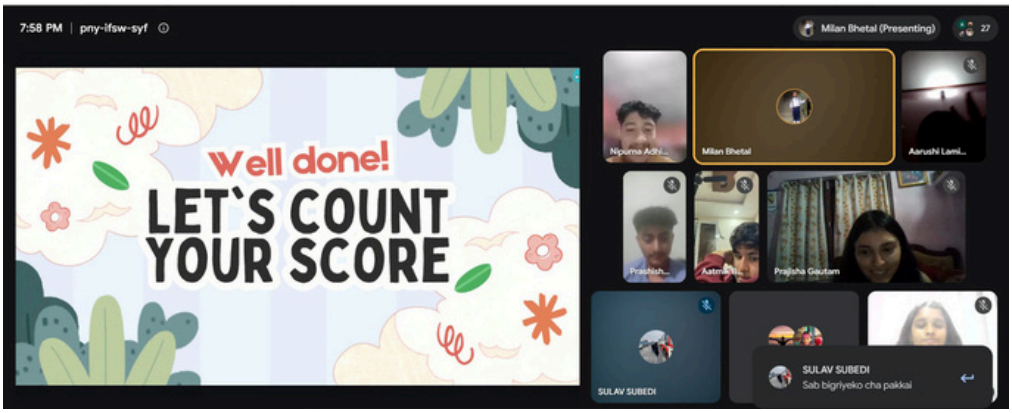

Feedback of the attendees

1. "The trivia quiz was super fun and competitive! It was a great way to learn interesting facts about Interact history that I didn't know before." (Itr. Prajisha Gautam)
2. "Loved the energy on the call! Quick online quizzes like this are such a fun way to celebrate Interact Week together." (Itr. Aatmik Bhari)
