About "Shooting of Promotional Videos"

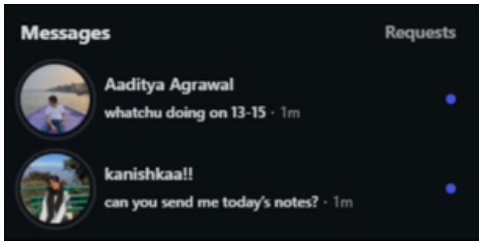

Introduction:

The Interact Club of Gyanda Academy participated in the shooting of promotional videos for District Sports Meet 2026, with the objective of creating awareness about the upcoming district-level sporting event and encouraging participation from Interactors across Rotary District 3292. The activity aimed to use digital media as an effective communication tool to generate enthusiasm, promote sportsmanship and strengthen engagement among Interact Clubs.

Project Summary:

Members of the Interact Club of Gyanda Academy participated in the shooting of three promotional videos for District Sports Meet 2026. These videos were created to promote the upcoming event, spread awareness among Interactors and encourage participation from clubs across Rotary District 3292. Through this initiative, the Interactors contributed to the event's publicity and supported the district's efforts to engage young people in sports and recreational activities.
